Ballista Marco

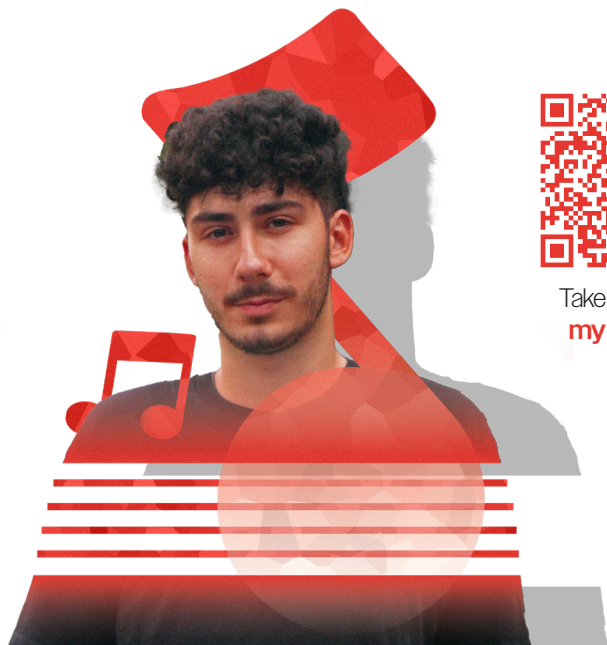

GRAPHIC DESIGNER

My first approach to graphic design was in 2023, when I began my studies in Communication Design at the **Politecnico di Torino**. Over these years, I have developed strong experience in branding, typography, social media communication, and UX design.

My goal is to create **immersive realities** that can accompain the client throughout his whole **experience**.

Experience

Graphic Designer

2024-Today

I manage communications for a local football team, **SCG Torino Calcio**. I began by improving its digital presence, which led to a complete **rebrand** at the start of the second season.

Camp Counselor

2020-2023

I worked as a camp counselor at a **local parish**, supporting year-round activities, including seasonal events and summer camps.
